Dear School,

I suppose that you wondered what on earth we were doing to you when we began to enlarge you again, besides completing that large field where the boys played football last fall.

We're proud of you and of your growth. That's why we're dedicating this book to your future--to the

Members of the June Class of 1939

Well, here it is almost Commencement time. Time surely does fly, doesn't it? When June 8th rolls around, we will be saying adieu to all the fine friends that we have met at North I for one, will regret leaving North very much.

Throughout the past year we have had many varied experiences together. May these joyous occasions linger in our minds forever.

I think that we will all be sorry to leave North High school and the old friends that we have made here, but let us look forward to the fact that maybe someday we will have the good fortune to meet again.

In the years to come, you will be entering into various types of vocations, and I know that you will be very successful if you continue to show the same spirit and willing cooperation that you have shown during the last few months.

Sincerely,

Graydon Miller

The Foundation of Democracy

It is these students, our club presidents, who are among our class leaders. We call them the foundation of democracy because they are able to shoulder the responsibilities of a club and carry on its business in a democratic manner.

Builders of Democracy

This democratic body of self-governing students guide their school as a lighthouse beacon guides ships at sea. It is their combined efforts which lead us forward as a progressive student body. The fall officers were: Arlene Brix, president; Louise Herou, secretary; Robert Coughlin, treasurer, and Edward Prozek, sergeant-at-arms. The spring officers were: William Johnson, president, Arleme Brix, vice-president; Robert Coughlin, treasurer Doris Linsten, secretary; and Edward Prozek, sergeant-at-arms.

Amateurs Conquer the Air Lanes

I wonder if one of these aspiring amateurs will develop into the Don Wilson of the future generation. The fall officers were: Henry Gangle, president. William Hagen, vice president. and Gordon Nordstrom, secretary. The spring officers were Edward Prozek, president; Henry Gangle, vice president; and Arthur Thale, secretary.

Together it must go. At least we think that is what they are trying to do with these radio parts.

I wonder what Bill and Miss Putman find so interesting?

"They put the Polaris to bed"

This group of rising journalists provide our school with lots of news and bits of gossip. Miss Nelson's news classes are being trained to appreciate good taste in the reporting of news and its content; as well as in learning the technique of writing. Wings

One of the newly formed clubs at North is the Aviation Club. Its members main ambition this semester is to build a glyder with a forty foot span. We sincerely hope this group will build up a firm foundation for this club so that it may carry on for many years to come. The officers were: Warren Runnerstrom, president: Vernon Olson, vice president: Alberta Goodman, secretary: and Clark Steele, treasurer.

Music Ensembles

On to Winnipeg

This slogan carried the North High Band up to the greatest celebration that Canada has seen in years, the visit of the King and Queen of England. The band, under the direction of Mr. G. J. Clive Cleary, received its formal invitation from the Canadian government through Mayor E. Leach of Minneapolis.

Courtesy of MPLS. STAR

The North High Booster Club, an organization created to help finance the band's trip to Winnipeg, did a fine piece of work in gaining the support of Minneapolis behind our outstanding band. The new uniforms which the band bought for this occasion were not purchased till after this annual went to press.

Dance !

Directed by Miss Esther Haveson, the Modern Dance class has completed its fourth year at North High. Modern Dance aims to teach its students body control and the expression of feelings and emotions as movement. This year the Modern Dance group put on several auditorium programs at North and at other schools.

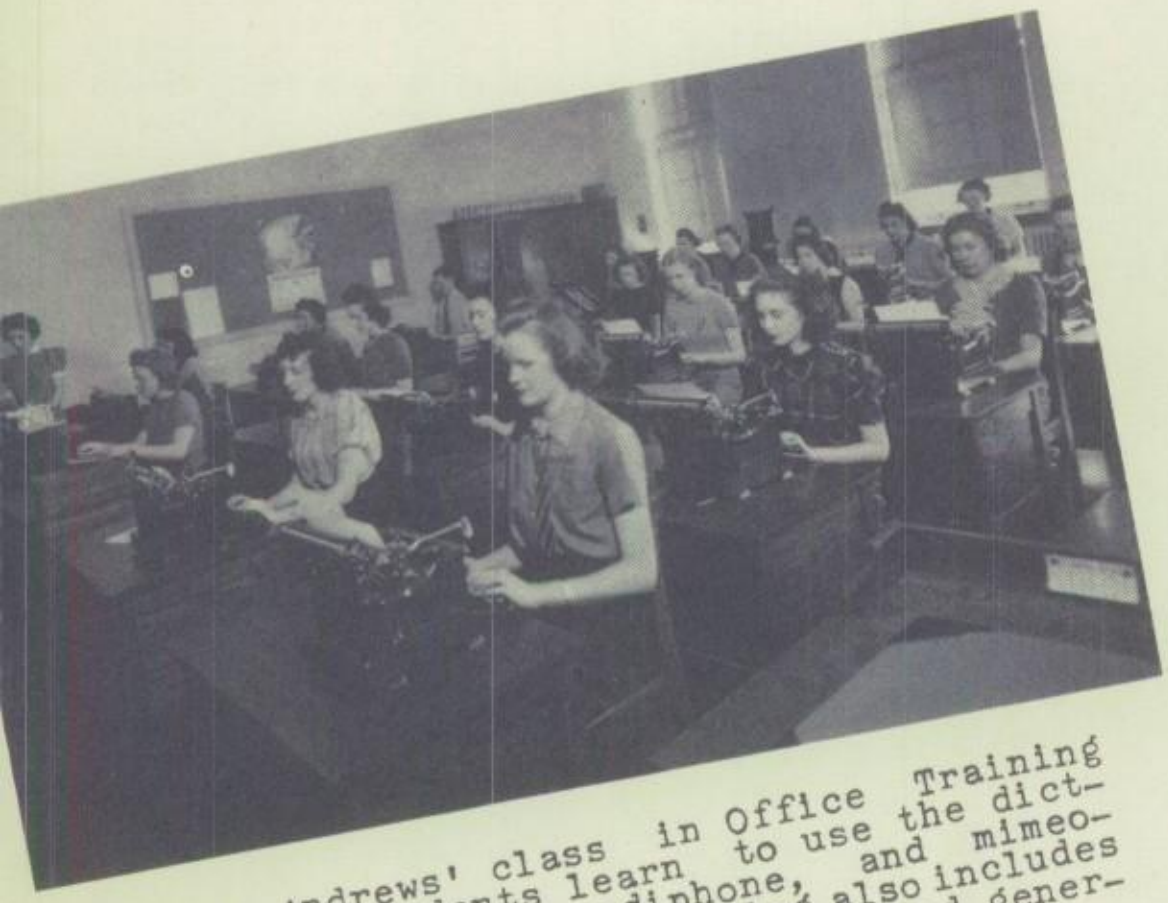
Careers Ahead!



In Miss Andrews' class in Office Training North High Students learn to use the dictaphone, comptometer, ediphone, and mimeograph machines. Their training also includes the writing of business letters, and general office practice.

The International Relations class was founded by Miss Mary Gould to give students a better insight into the working of modern governments and the background for our present day policies. Members of the class in this picture are: Row I Gjenvick, Miss Gould, Mandel. Row II Koontz, Rodich Row III Pherson, Hoffman, Purdham.

Scholarship, Leadership, Service!

Probably the greatest honor that can be bestowed on a junior or senior is his election to the National Honor Society, an organization that stands for the highest ideals of character, scholarship, leadership, and service. The society was first established in North High School in December, 1938.

To be eligible for membership, the student must rank in the upper third of his class in scholarship. Five per cent of the 11A's, ten per cent of the 12B's, and fifteen per cent of the 12A's are then chosen on the other three qualities of character; leadership, and service.

The officers of the January, 1939 graduating class were: President, Russell Nash; Vice-President, Stephen Donahue; Secretary, Vee Johnson; Treasurer, Robert Gruman. A list of the members of the January and June 1939 graduating classes follows.

Dear Dot:

Gee, one year and six months and then we're out of this jail. Your a true blue friend and are the best friend I ever had; Its been ten long and pathetic years of toil and woe but we stuck them out, we weren't afraid we're we; We fought we cried but were still pals aren't we? we were pals in the depression in 1929 the great crash!! But your not old either am I. But I still love you: remember how we use to play ~~Ers~~, those were the good old days; we were always like Mutt & Jeff: so close like too peas in a pod. Honest Dot your the tops and I mean it. I wish you all the happiness in the world and may all the dreams came true that you plan: (P.S. don't show this to my English teacher (the english is awful)

Love forever

G. A. A.

This year the Girl's Athletic Association Board consists of nineteen sports-minded lassies. There are on or two girls assigned to each sport, and they schedule all games and determine the points each girl will get toward her "N". Their work truly deserves praise.

"N" GIRLS

Each year a new bunch of girls, who uphold the ideals of true sportsmanship, turn out for all the different sports activities offered to them by the athletic department. They get points for all participation, and after they have accumulated six hundred points, they will get a chenille "N" which is really worth the effort exerted.

BADMINTON

Paging S. P. C. A!!!!!! The humane society might object to your batting "birds" around with a racquet, but that's just what you do in this recently inaugurated game called "badminton". It's fascinating and is fast gaining popularity with both girls and boys. The fall semester sees the beginners, and the spring session brings experienced boys and girls together in a tournament. If you're anything like me, I'll see you next fall.

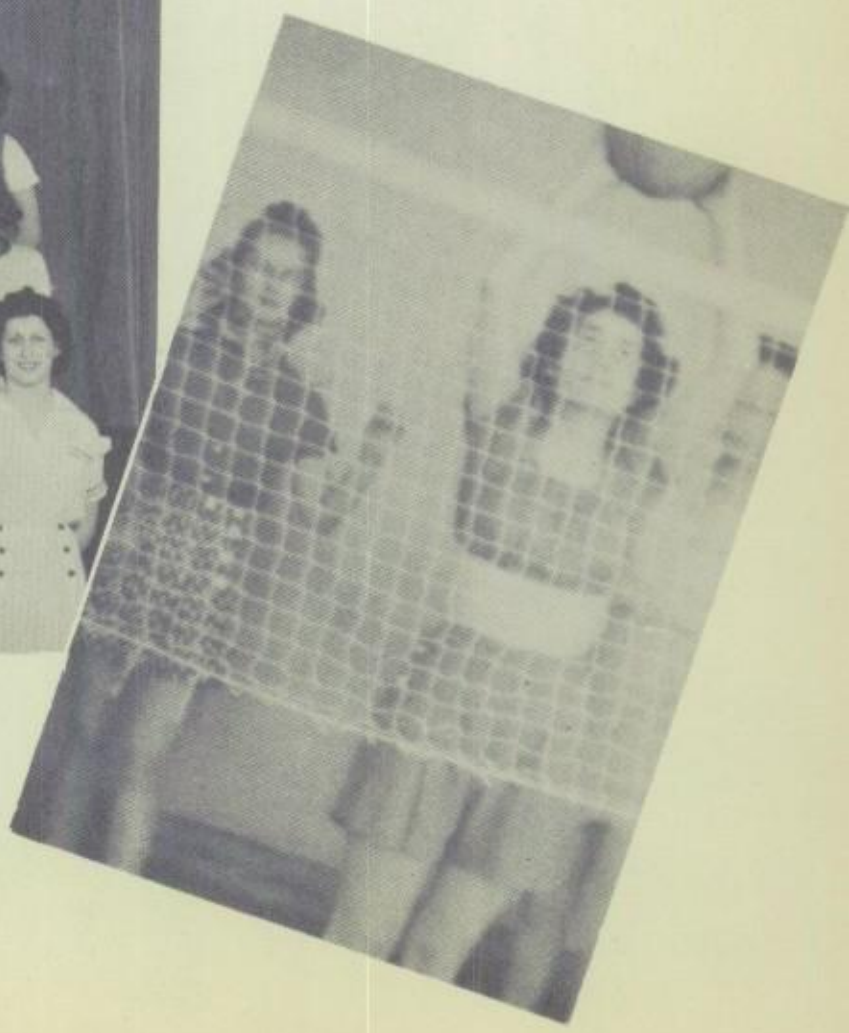
BASKETBALL
The whistle shrieks! Another bucket! No, there's not a fire around here, but the "bucket-brigade" is in full swing. Teams from regular class periods and after-school sextets have started the trek toward the girls' basketball championship. The teams are scheduled to play six games in order to get their one hundred points toward an "N". There's the whistle again. So long!

VOLLEYBALL
Your serve! Now "kill it!!!!" and it won't e called "man-slaughter" either. The ball sails cross the net, and half a dozen pairs of hands re waiting to push it back. Vigorous? You amed it, but loads of fun.



VOLLEY BALL: Row 1;Steffens, Christenson, Johnson, Sayre, Sugarman, Groebe, Halloran, Larson Row 2-Hoden, Eidem, Olson, Marboe, Pohlker, Eisten, Hey. Row 3-Christensen, Auer, Kipp, Mansur, Kennedy, Dingmann, Chupardia, Burk. Row 4-Severson, Ojalo, Carlson, Labovitz, Nelson, Olson, Mc Cabe. Row 5-Chubbuck, Hershey, Herman, Groh, Alfredson, Pappin, Scone, Sather. Row 6-Baxter, Hendrickson, Blanchette, Kelley, Hyk, Johnson, Fleming.

TOUCH FOOTBALL

Only men play football! Don't you believe it!!!! This athletically-minded group of girls are the lassies who copy the antics of North's championship gridders. The only difference is that they tag instead of tackle. These femmes know what they are doing too, and the lads about school show an avid interest as spectators.

TOUCH FOOTBALL Row I-Truedson, Nallick, Lofgren, Sobol Row II-Chanen, Biorn Auer, Steffens, Pischke, Midthing Row III--Chubbuck, Erickson, Nelson, Blanchette, Pappin, Herman, Dingmann, Row IV--Rochel, Groll, Alfredson, Behling, Christenson, Wennes, Row V-Hyk, Christenson, Kipp, Fuller, Snound, Chupurdia, McCabe.

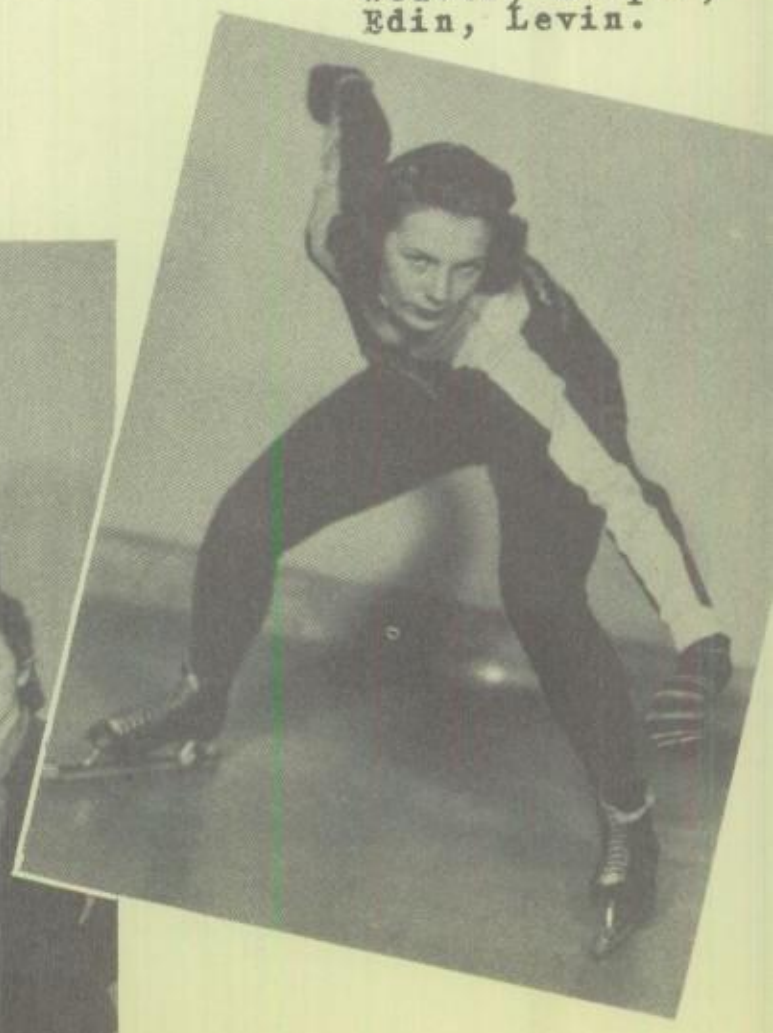
SKATING

Stroke------! Stroke------! Stroke-------! It may sound like a clock stroking the hour, but in reality it's some of the future blade stars going through their practices. Nearly all the girls take a test at the end of their eight practices in order to get added points toward their letter. It's a grand sport and you'll be sure to like it. Why not come out and try?



SWIMMING:
Leader, Hershey, Cohen, Powers.

SWIMMMNG

You don't have to go down by the warm, sun-
ıy waters to find mermaids during the winter.
Γhis bunch of girls cleave the water in the pools
of surrounding junior high schools with their
strokes and dives. And they're always striving
for perfection. By looking at the picture we
would say there was plenty of perfection right
there.

DIAMOND BALL
Row I...Levin, Erickson, McCarthy. Row II---Schilling, Cockburn, Golden, Katz, Sayre. Row III---Wolfram, Rusinko. MacDonald, Fischer, Jensen.

DIAMONDBALL

Take me out to the ball game------ That is the cry as the balls start flying over the left field fence, and that's not an uncommon occurrence among the dozen or so girls' teams that turn out each spring for that great American game of diamondball. A tournament is held, and the team winning the most games is declared the champion. I'll see you at the game!

GOLF

"Swing is in the air. la da da de!" It's been around all winter, too, but in a different form. Golf clubs are hastily being dragged out of storage for a few practice swings before launching the drive on the links and fairways. Miss Haveson has been giving the instructions and pointers on the art of golfing. Since this is the year for jitterbugs, a little more swing won't be disdained one way or another.

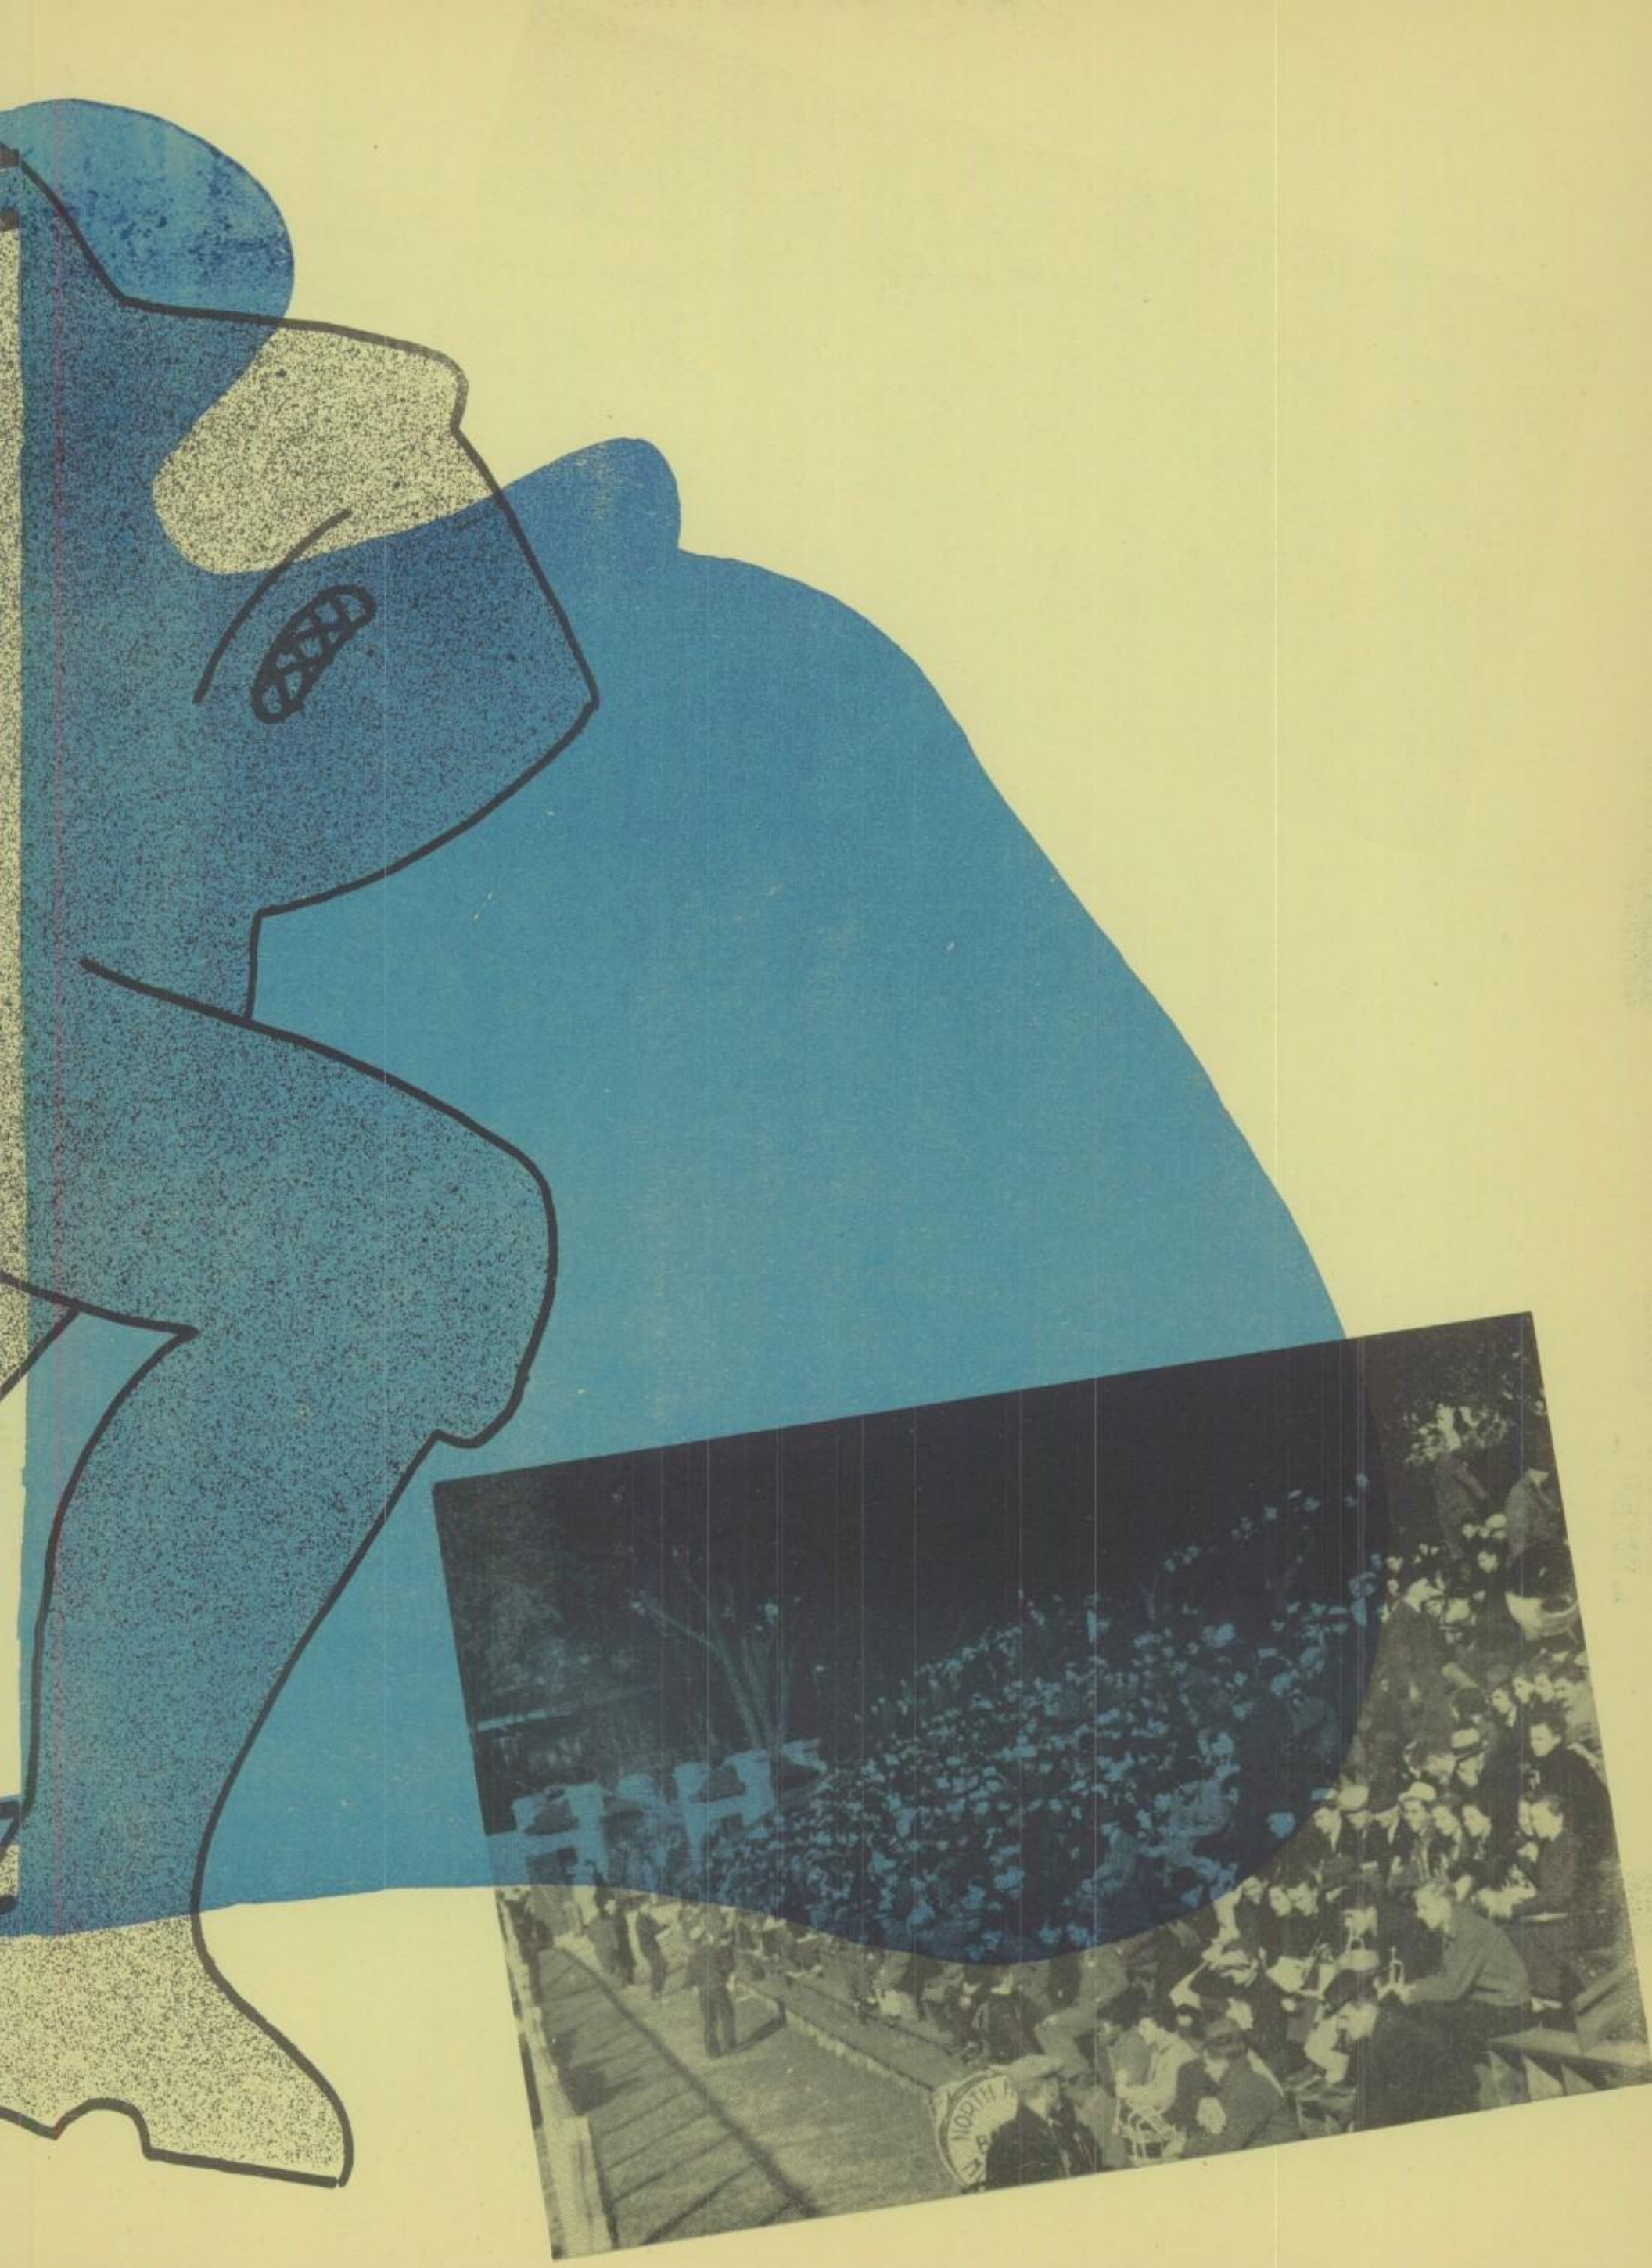
GOLF Row I. McCarthy, Levin, Erickson, Miss Haveson, Katz, Sayre, Schilling Golden, Dugan, Rusinko.

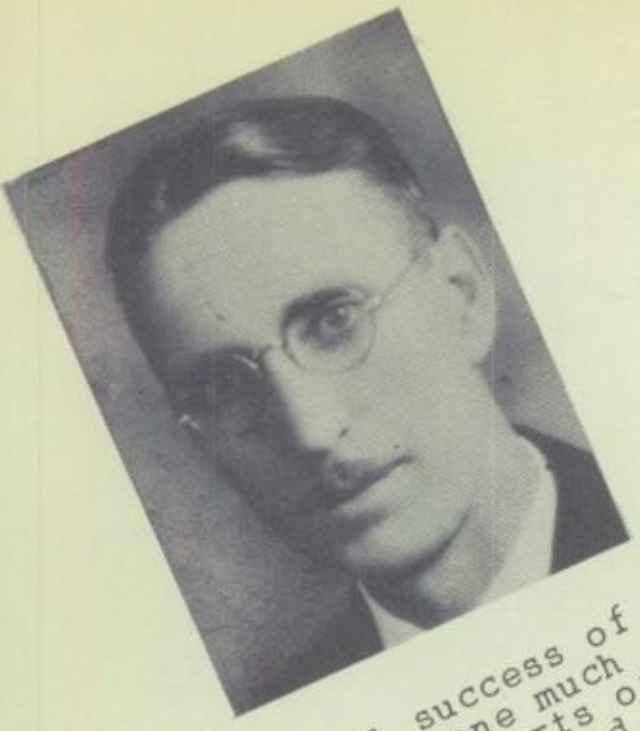
TENNIS Row One: Bell, Scales, Simonsen, MacDonald, Erickson, Behling, Cockburn, Jensen, Markowitz.

TENNIS

Drive and smash! Sounds like talks we hear about automobile safety, but it isn't. Practice starts early in the season, and the girls are ready to burn up the courts as soon as the weather permits. There is no planned tournament, but each game is a hotly contested match. Points are given for this activity, and extra points for good form. Miss Denning is the lady of authority, and young tennis hopefuls get lots of coaching in her able hands.

Boys' Sports.



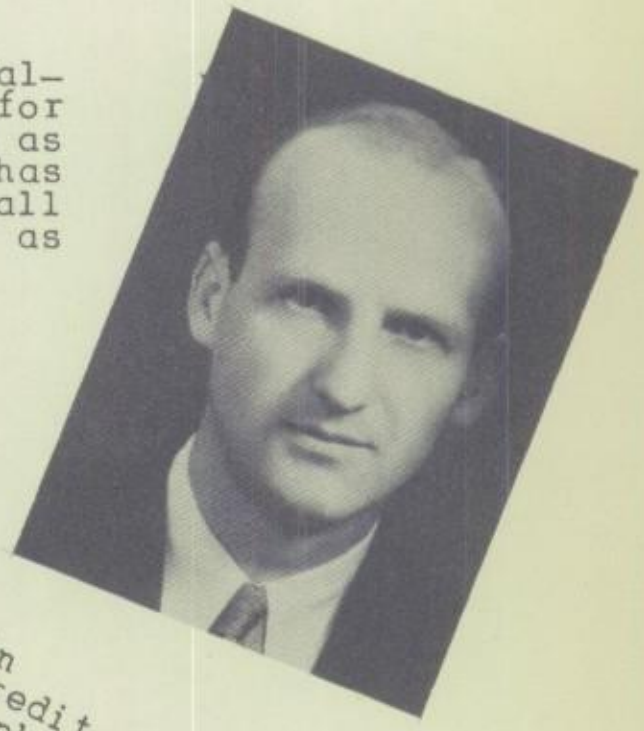


Carl Larson
The wonderful success of his football teams have done much to endear Carl Larson in the hearts of Polar followers. Mr. Larson served as assistant coach before he assumed the reins of head coach two years ago.

John J. Jacobi
Mr. Jacobi in his nine year stay as basket-ball coach at North, has made a great hit with the student body and players alike. Three times during his reign, "genial Jake" has steered the prep championships to the Northside.

Martin T. Kennedy
Martin Kennedy, affectionately called "Tom" will long be remembered for the many fruitful years he served as North's grid mentor. Coach Kennedy has since resigned his head as football post to take on the added duties as athletic director.

Louis Burnett
In his three years at North, Louis Burnett has brought a complete revival of the apparatus squad and advanced our track team so that it is no longer just a tail-end competitor. "Louie" can be found at all times in the gym instructing his proteges.



Sam Perrin
Much credit for the successful seasons of sophomore teams must go to Sam Perrin, who on his second year of coaching at North High has proved a valuable factor in building up sophomore material. Tall and quiet, Sam is a favorite at North.

Bottom: A Tommy back is hemmed in by the Polars and brought to earth after reeling off a short gain.

Co-Captain Axel rips the Washburn line to shreds as he scores the first touchdown in the North-Washburn mix.

FOOTBALL 1938

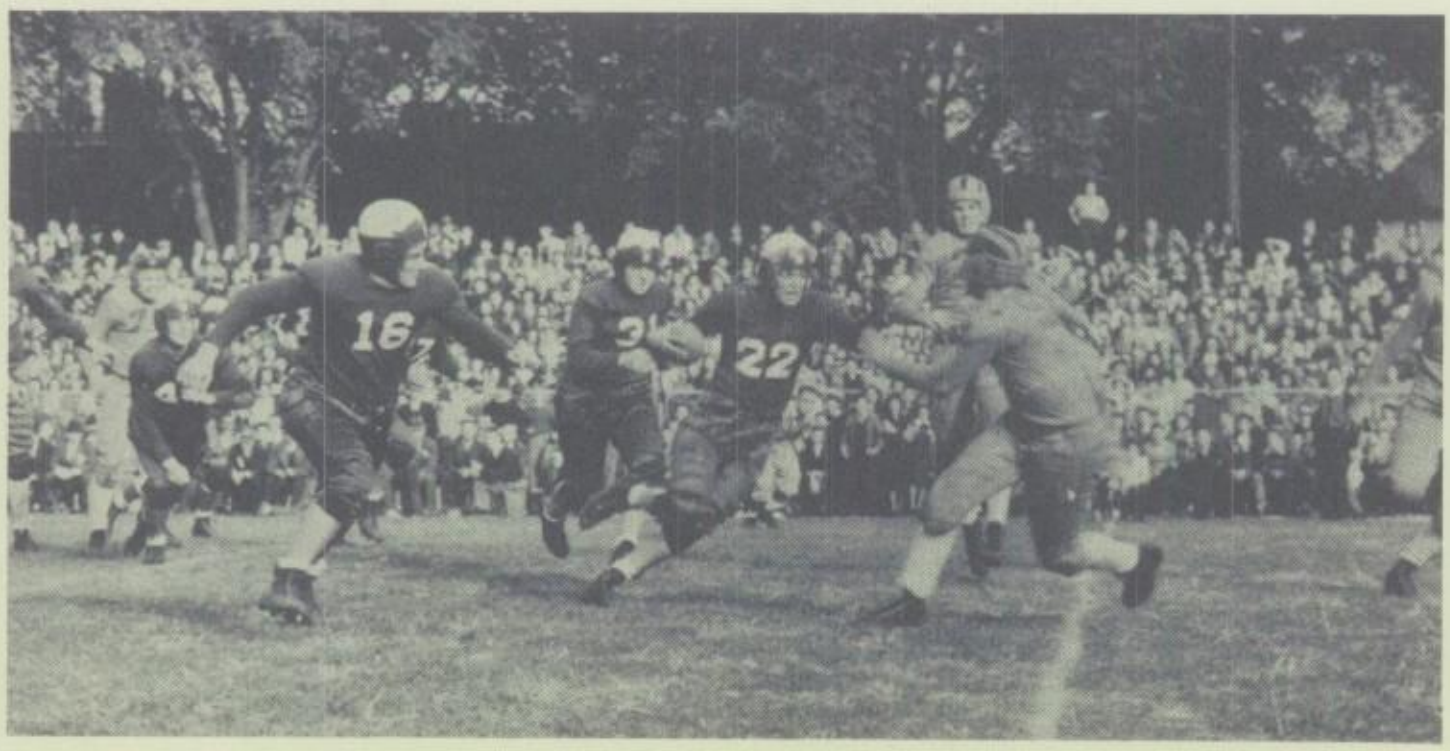
Greeted by a new football field last fall, the Polars roared on to a three way tie for the Minneapolis prep football championship. The flip of a coin was needed go decide which team would meet Washington High for Twin City honors. Tom Kennedy representing North, won the toss but the Polars bowed to their down river rivals, 25-0 on Armistice Day.

NORTH 12 CENTRAL 0

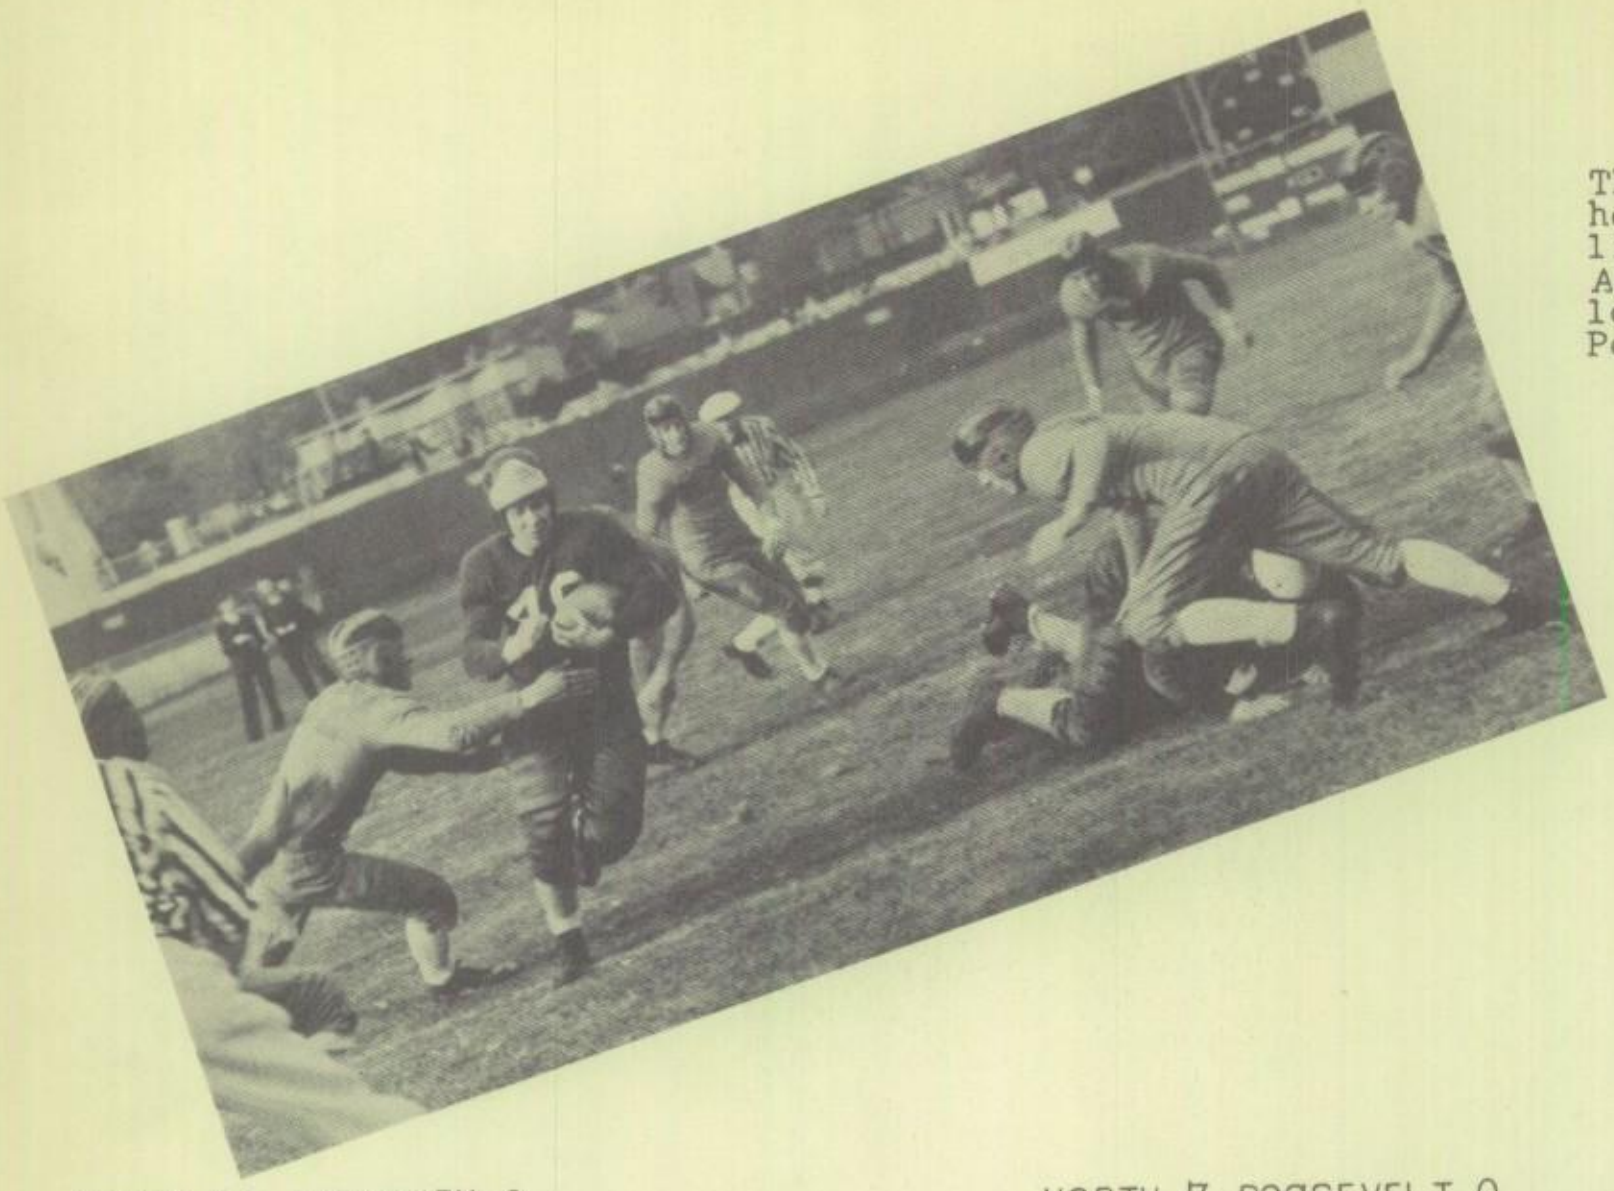
With an amazing knack of converting breaks into scores, North downed Central 12-0 on Hobbs Field. Bob Brody twice ran the length of the field to ring up the initial victory of the season.

EDISON 12 NORTH 6

An injury shattered Polar crew was defeated 12-6 in the second week of football competition. The only North score came in the third period.



Co-Captain Bob Knies breaks away for one of his long gains in the Homecoming game against Washburn.



Through a gigantic hole in the Miller line goes Wayne Axel on one of his long gains in the Polar-Washburn tilt

NORTH 13 WASHBURN 0

Coming back from their recent defeats, the Polars battled the Millers of Washburn into submission, 13-0. North scored in the first and third quarters.

MARSHALL 3 NORTH 0

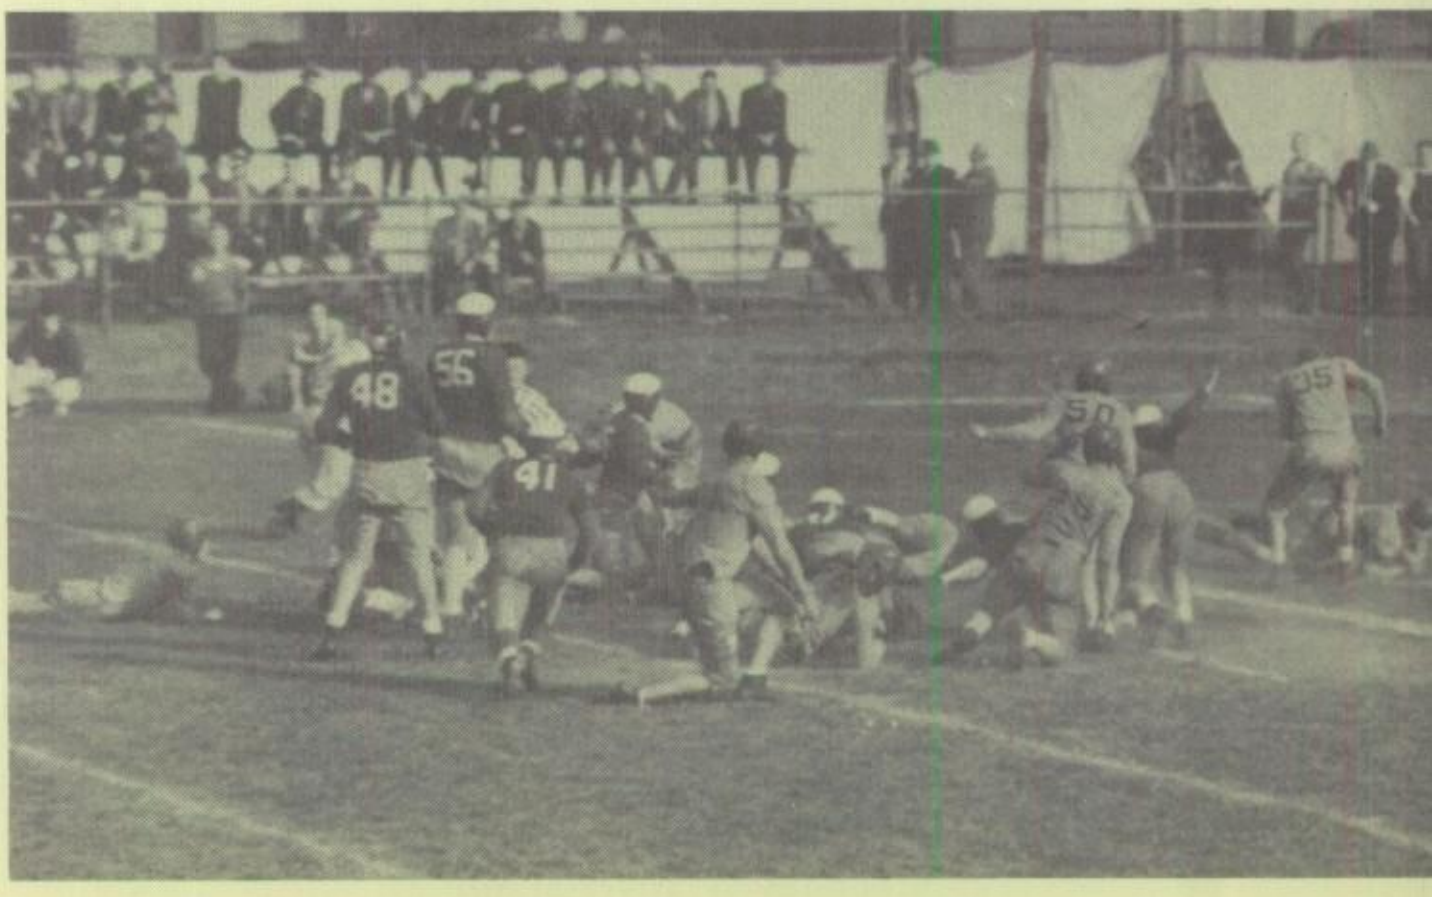
Little Earl Mosiman's field goal from the twenty yard line was the margin of victory over the Bears. North's last half threats kept the outcome of the game doubtful until the final gun.

NORTH 7 ROOSEVELT 0

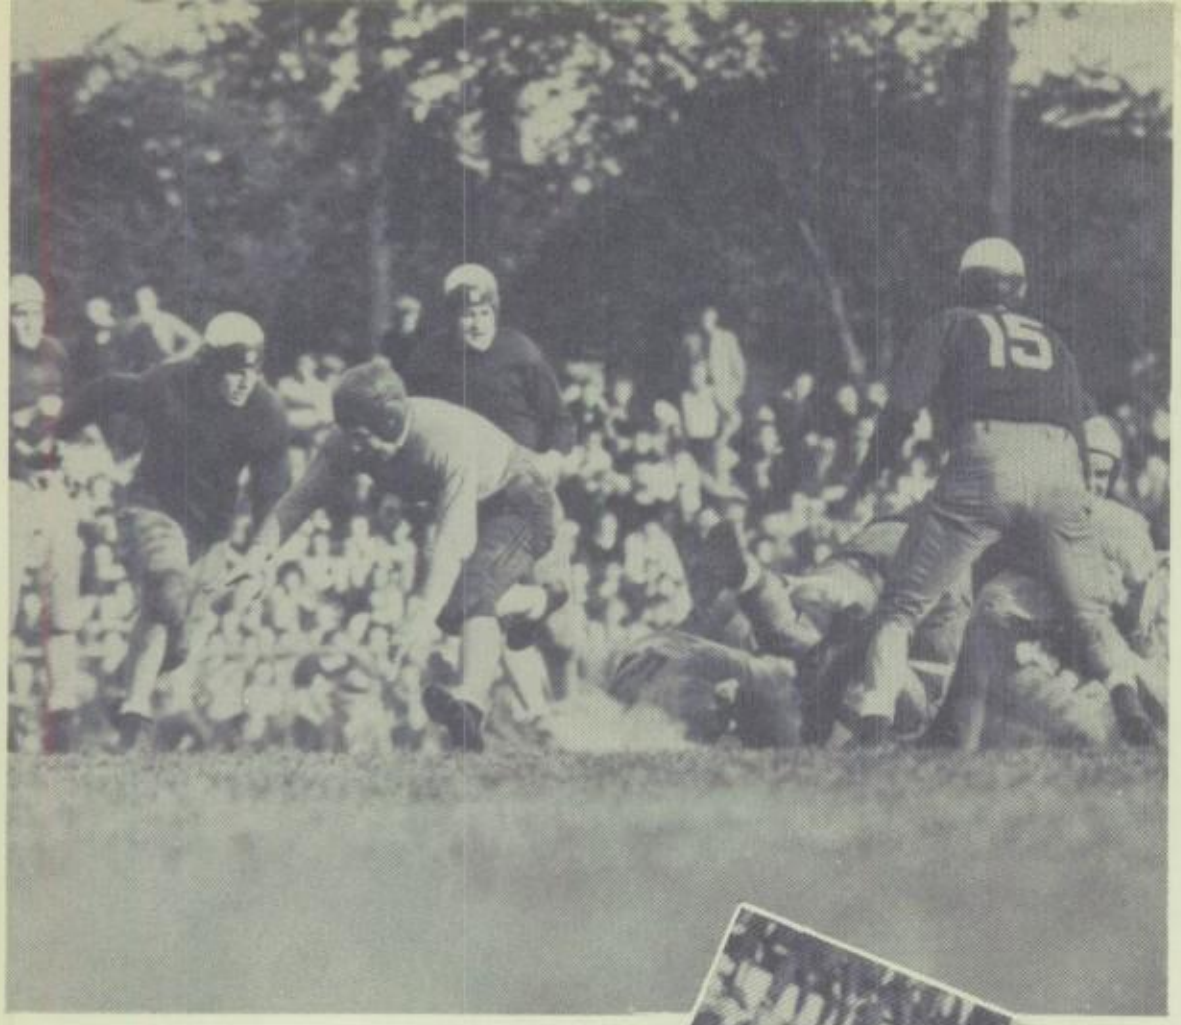
Played to a standstill for three periods, the Polars suddenly came to life in the final quarter and marched for a touchdown and victory. Outstanding during the game was the line plunging of Wayne Axel.

NORTH 7 SOUTH 0

On a classic forty five yard touch down run, Bob Knies, side-stepped his way through the entire South team to ring up a 7-0 victory for the Polars. South's furthest penatration into North territory was to the 17
the seventeen yard line.



Left: The Tommies score! Pete Serbanic cracks the Polar defense to score the first points in the North-Edison game.



No gain! An Edison back falls into the clutches of the Polars and is brought down at the line of scrimmage.

The line forms at the right as an Edison attempt to score a touchdown against North is thwarted.

NORTH 13 WEST 6

In a game which featured a fist fight, and punts of less than ten yards, the Polars rode into a triple tie for the prep foctball championship as they overpowered the Cowboys of West 13-6. Axel and Brody scored the touchdowns.

ST. PAUL WASHINGTON 25 NORTH O.

Scoring three touchdowns in eight minutes, Washington High School extended St. Paul's football domination over Minneapolis, with a 25-O victory over the Polars. Crippled through illness and injury, North never threatened their maroon and gold opponents goal.

'SOPHOMORE FOOTBALL 1938

Showing the same air tight defense as the "A" squad, the North High Sophomore football team went through the season's schedule of seven games with only four touchdowns scored against them. The "little polars" were defeated only twice throughout the entire season. Altogether during the season, the little Bears scored sixty-three points. Players who had a successful season and should strengthen the "A" squad next year are Clair Lynch and Peterson in the backfield, and Cassidy and Jacobsen in the line.

BASKETBALL 1939

Losing five games by a margin of less than four points, the Polar Basketeers ended the season with the record of two victories against six defeats. The Bears opened the season against the Cardinals of Marshall and were set back, 30-28. After a bye North dropped a heartbreaking 35-34 contest at the hands of Central. Against Vocational, the Polars

came to life to drop the Volts 41-38. Roosevelt, however, continued the Northmen on their downward descent by reason of a 31-30 score. The Tigers of South defeated the Polars by the largest margin of any game this season, 41-32. One hundred-eighteen points were scored in the North-Edison mix, which the Toms won by a 60-58 score. In the final game of the year, the Polars defeated the West High cagers by a score of 37-27.

TENNIS 1938

The Polar netmen finished a successful season with a record of four wins and three losses. Teams from West, Washburn, and Central were the ones responsible for the defeats, while Marshall, South, Roosevelt and Edison met their Waterloo against North.

BASEBALL 1938

Finishing with a record of three wins against five defeats, the Polar nine gained a tie for sixth place with Marshall. North started the season with victories over Boys' Vocational and Central before dropping their first contest to the title winning Edison team.

GOLF 1938

Hopes for North High's 1938 golf team to finish better than an even five hundred percent were blasted in their final match when the linkmen from Central defeated them 5-2. Preceeding this defeat, the Polars had been victorious over Marshall, South, Roosevelt, and Vocational. Other teams to defeat the Northmen this year beside Central are West, Washburn, and Edison.

SWIMMING 1939

Finishing the 1939 season with a record of one victory against five defeats, the Polar Mermen gave promise of developing into a powerful contender for championship honors next season. The Northmen won their only meet of the year from the Tommies of Edison. On their trip to Rochester, the Polars were defeated 56-19. The swimming meets were held at the Y.M.C.A. pool.

TRACK 1938

Handicapped by lack of training facilities and a track, North High's track team finished the disastrous 1938 season without winning a meet. Coach Burnett was experimenting mostly with sophomores and juniors, in order to build up a strong team in 1939. The Polars started the campaign in the Metropolitan Meet without scoring a point. The Roosevelt Meet followed with the Teddies decisively whipping North 63½ to 36½. In the Quintangular meet, the Polars scored 12½ points. Bringing the track season to an end, North finished last in the city meet with four points.

NORTH'S FLYING BLADE-MEN: Top Row: Jones, J., Trumble, R. Pettigrew, D., (Coach) Nyberg, E. First Row Hergreness, A., Jacobson, G. Weinstein, S. Rose, J.

SKATING 1939

In the annual city high school skating meet at Powderhorn Park, the North blade-men scored five points to gain fourth place among other high school teams. Marshall easily won first place for the second consecutive year. Meanwhile North's crack relay team made up of Jones, S. Weinstein, Trumble, and Nyberg, accounted for all the Polar points as they romped off with this event of the meet.

SKIING 1939

North High's ski team was defeated for the first time in three years, as Washburn nosed them out in the annual meet at Theodore Wirth Park. Henry Hansen, son of the former olympic star, paced the Millers, scoring ten of their sixteen points. In the cross country race, which was also won by Hansen, Don Peterson of North, placed third. Robert Jackson's 141.3 made him high point man for the Polars.

BOXING 1938

When the final gong had rung, seven boys out of an original field of some sixty or so pugioistic minded Northmen, strode from the ring with the din and clamor of a madly cheering crowd ebbing into silence. These boys were the seven newly crowned champs--newly crowned because last years' only title defenders yielded to superior force. This years tournament was conducted by Frank Wolinski with the assistance of Louis Risking and Harvey Bauler.

APPARATUS 1939

North's apparatus spuad finished a highly successful 1939 season by winning the class "B" championship, in the Northwest Meet. The Polars came in second in the class "C" division. In the city meet, the Northmen captured the class "C" championship but lost the "B" division to Roosevelt High School by a few point Much credit must be given to Coach Burnett who has greatly revived the squad during his three year reign at North.

HOCKEY 1939

For the first time since 1922, hockey became a competitive sport at North High School. Harold Gregory, in his first year at North was chosen coach. The Polars won one game, lost three, and tied one during the regular season, losing to the title winning Washburn crew in the final contest. Entering the playoff, they were defeated in the first game by West, 2-1.

The Annual Staff wishes to give special thanks to all who have cooperated in the making of this book: Miss Ruth Normann, the supervisor of the publication; Miss Jane Thickins, art supervisor, whose classes created illustrations and lay-outs; Mr. Edgar Kast, who supervised printing of the division pages on the multilith machine; and Mrs. Zittleman, ever-helpful adviser. We also want to thank the David Bank studios for superior photography and great cooperativeness.

Dear Dorothy –

Didn't we had fun in Nora, tho? At church in choir too? Will be seeing each other all summer I'm sure at church. Be a good girl and come, won't you?

Your pal,
Eileen Larson

Dear Dorothy,
It's been nice knowing you. You're a good kid. like you. Keep up the good work.
Love, MB.

Dear Dorothy
I hope you have lots of luck and success in the future
Yours truly

Dear Dorothy –
The best of luck all through the rest of your school days at dear old North.
Shirley Phelan

Dear Dorothy,

I shall always remember you as a swell pal. We had loads of fun in Norse didn't we? I shall always remember our happy times together in Norse. Loads of luck and success.

Your friend
Clara Thompson

Best of luck to the
swellest girl I know.
